# Signature

## VINYL

Our cushion vinyl collections bring together a unique selection of modern designs that perfectly capture the natural materials that inspired them. From ceramic tiles through to wooden planks, herringbones and polished concrete, there is always a Signature design to suit your project. All Signature Vinyl collections are also tough and practical, with excellent cushioned support underfoot. Our vinyl flooring is built to last and you'll be enjoying your modern, hard-wearing floor for years to come.
