

LAMINATES

ISSUED OCT 2020

Laminate Flooring

Laminate flooring is quite possibly the best all-encompassing package for your proverbial decorating dollar and perfect for anyone who wants low maintenance flooring.

Our exclusive range offers variety of colour tones and patterns which will enable you to match the floor with the exact mood and style of your room, whether it's rich and elegant or cool and contemporary.

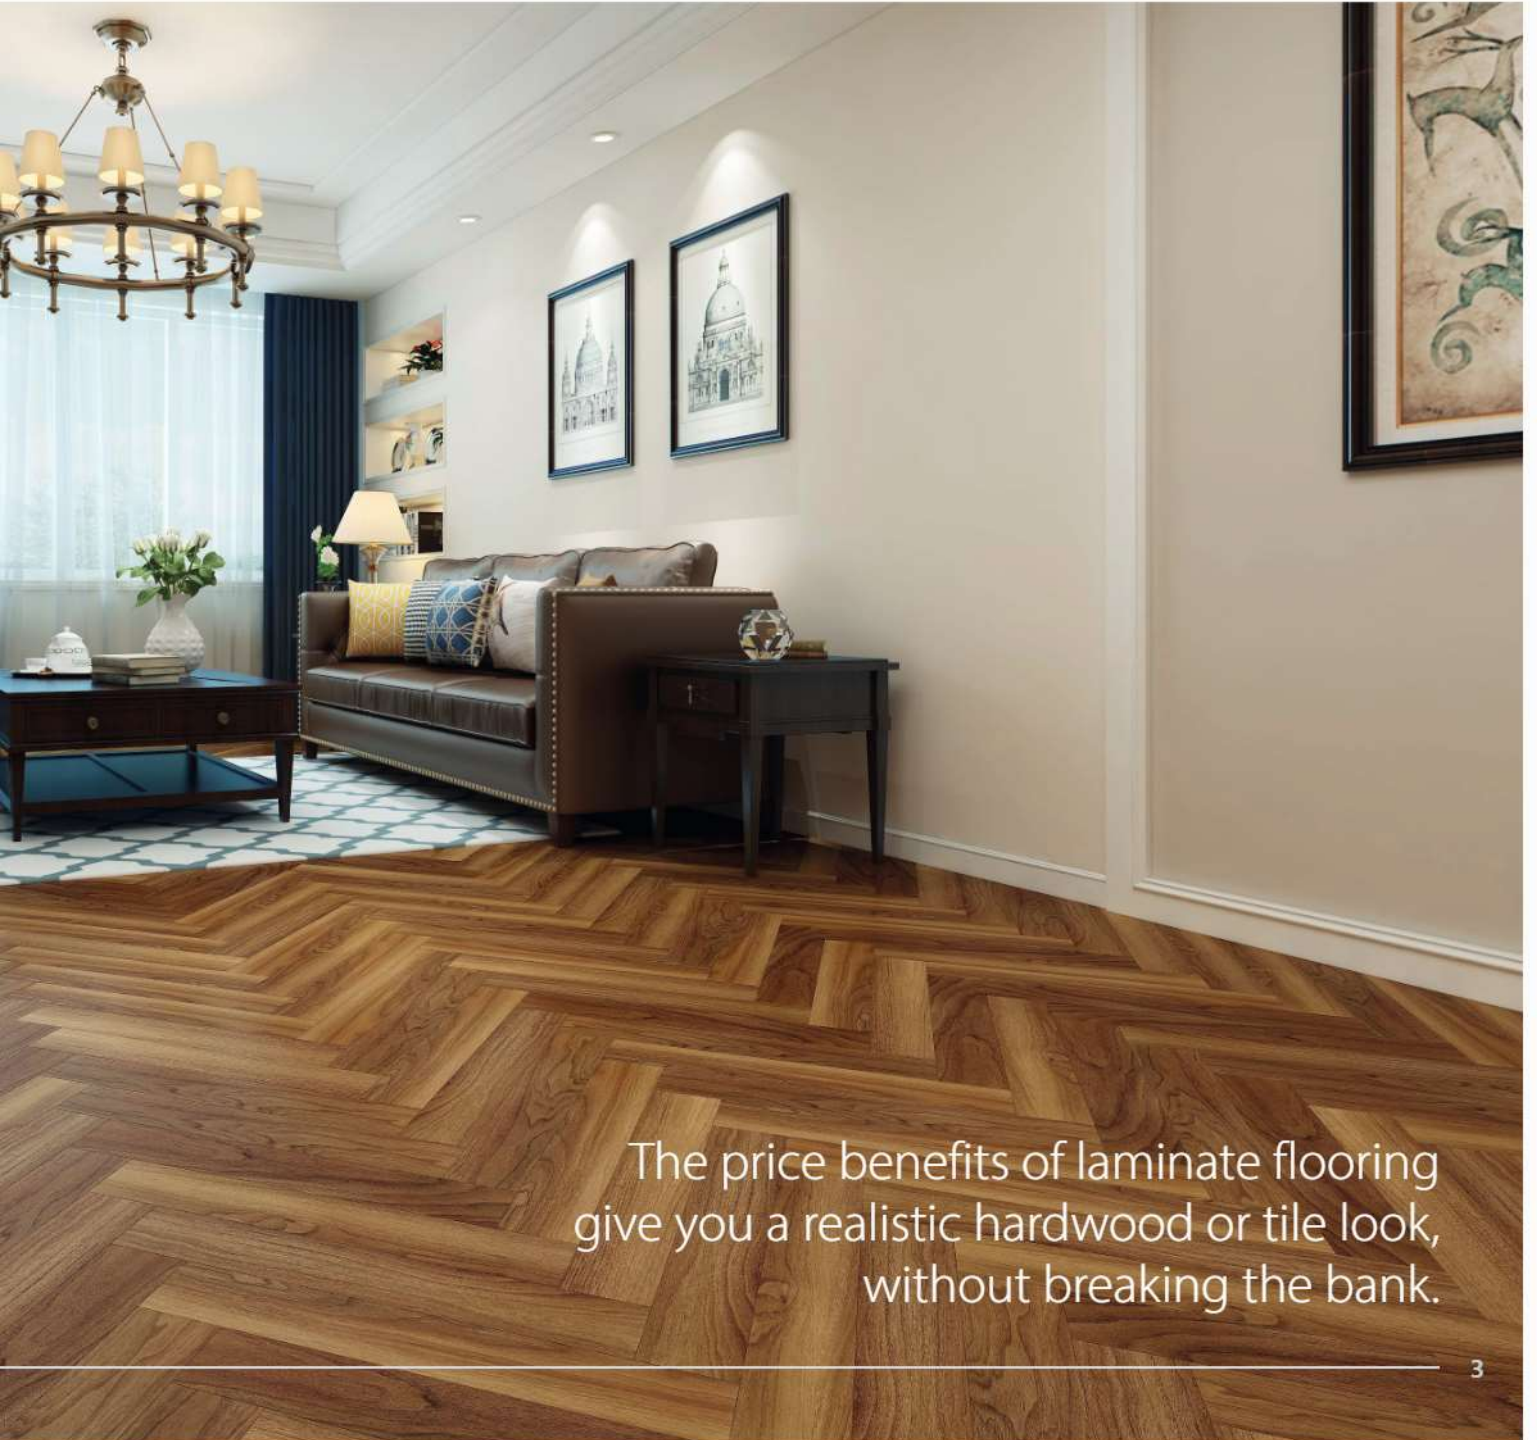

Disclaimer: Samples are a reference only, we have tried to give you a true reflection of the flooring, however you must check you are happy with colour, shade and for any defects BEFORE installation. Once installed flooring is considered accepted and we will not offer refunds.

All engineered and solid wood flooring installations should be carried out in accordance with the current industry best practice standards which at present is BS 8201:2011.

2

Authentic Herringbone Superior Walnut

The price benefits of laminate flooring give you a realistic hardwood or tile look, without breaking the bank.

The Benefits

Economical

Not only is it generally less expensive than other hard surface floors to start with, but when its durability and longevity are considered, it becomes a particularly economical choice.

Quick and easy to install

All of our exclusive range can be installed with a click fitting system, cutting the time on installation.

Large range of style, colours and textures

The possibilities for new styles and colours are limitless.

Extremely Durable

Stain, fade, and moisture resistant, laminate is longer lasting than any hardwood, vinyl, or carpet.

Easy to clean and maintain

Laminate's superior stain and moisture-resistant surface coating makes spills and other messes easy to handle. This special surface doesn't require waxes or varnishes to keep it looking great.

The logo for CLASSEN features the word "CLASSEN" in a bold, blue, sans-serif font. The letter "S" is white and is partially enclosed by a green leaf-like shape that extends to the right. A registered trademark symbol (®) is located to the right of the word.
