ISSUED OCT 2020

Why go Vinyl?

An excellent choice for your high-traffic areas.

SIMPLE TO INSTALL

Vinyl can cover most rooms in one seamless piece.

WATER RESISTANT

Can be used anywhere there will be splashes, spills and humidity.

NO MORE COLD FEET

Vinyl provides a warmer, more comfortable surface than other types of flooring.

VERSATILE

Available in a range of styles, thicknesses and textures to suit all looks.

LOW MAINTENANCE AND EASY TO CLEAN

This anti-dust type floor is perfect for people with pets or allergies.

DURABLE

Pressure resistant and sturdy, the ideal choice for heavily used rooms.

The Vinyl Range

We have worked hard to supply you with top quality vinyl. Not only do you have the latest technological advancements in vinyl, but rest easy that it's safe and eco-friendly.

Several of our ranges are 100% recyclable and 100% phthalate free.

We have added several new ranges for 2020 including: Aura, Orion and Powertex.

Disclaimer: Samples are a reference only, we have tried to give you a true reflection of the flooring, however you must check you are happy with colour, shade and for any defects BEFORE installation. Once installed flooring is considered accepted and we will not offer refunds.
